Diagnostic and preventive services	None	100%
Restorative and other basic services	\$100 per covered individual / \$300 per family	40% under 19, 50% 19 and older

What is the waiting period for services?

For Covered Individuals age 19 and older, Restorative and other Basic Services are subject to a six (6) month waiting period. Complex Dental Services are subject to a twelve (12) month waiting period.

Note: DentaQuest will pay the same percentage of the allowable charges for covered services received in and out of network. If you choose to see a non-contracting dentist (out of network), you will be responsible for the difference between the plan's allowable charges (what contracting dentists receive for payment from DentaQuest) and the dentist's usual and customary fees (what the dentist charges cash-paying patients).

Is there an out-of-pocket maximum?

For covered individuals under 19, the maximum out of pocket expense is \$350 for each calendar year. The maximum family out of pocket expense is \$700 for each calendar year.

What are my annual limits and maximums?

For covered individuals 19 and over, the total benefits are limited to a maximum of \$1,000 for each calendar year.

Do I have out of network coverage?

Yes, DentaQuest will pay the same percentage for covered services received in and out of network. But if you choose to see a non-contracting dentist (out of network), you will be responsible for the difference between the plan's allowable charges (what contracting dentists receive for payment from DentaQuest) and the dentist's usual and customary fees (what the dentist charges cash-paying patients). This means you'll save more by receiving care from a contracting dentist.
